*Search, manage and store digital information and content securely.*

## **Digital Transaction**

*Safely apply for services, fiscal transactions and services, and administer and manage transactions online.*

## **Problem solving**

*Gain solutions to problem solve using digital tools and online services.*

## **Being safe and legal online**

*Address safety measures to keep confidentiality, prevent identity theft and ethical use of digital resources.*

---

# Leverage Open Education Resources

[OER2GO.ORG](https://oer2go.org)

---

## ■ **EXPANDED ACCESS OF PROGRAMS**

OER content expands program material and use in the classroom. Greater number of students can be served.

## ■ **COST EFFECTIVE.**

Save on textbook costs and other education program material. Expand scalability for multi site distribution.

## ■ **ENHANCE AND AUGMENT COURSES**

Supplement learning materials for class and digital library. Instructors can expand curriculum resources.

## ■ **TIMELY**

Easy access to digital program content. Digital resources eliminate textbook storage and paper contraband issues.

## SECURE LAPTOPS

Offline secure laptops with a variety of choices; Linux, Windows and Chrome. Created from surplus or purchased with security features.

## RACHEL PLUS

Access the best educational resources, and your own without an internet connection. RACHEL: Remote Area Community Hotspot for Education and Learning,

**REMEDIAL EDUCATION**

**CREDIT RECOVERY**

**ACADEMIC ACHEIMENT**

Digital education resources allow you to reach student needs from redial education to higher education. Welcome to the digital one room school.
